MESSAGE FROM THE SECRETARY OF STATE.

CARSON CITY, January 6, 1885.

To the Honorable the Assembly:

GENTLEMEN—I have the honor to transmit herewith Assembly bill No. 136, passed at the Eleventh Session of the Nevada Legislature, which was returned to this office by His Excellency Governor Adams, on the 13th day of March, 1883, without his signature.

I have the honor to remain, gentlemen, your obedient servant,

JOHN M. DORMER,
Secretary of State.

MESSAGE FROM THE GOVERNOR.

GOVERNOR'S OFFICE,
CARSON CITY, March 13, 1883.

Hon. John M. Dormer, Secretary of State:

I have the honor to return herewith, without my approval, Assembly bill No. 136, entitled "An Act authorizing the appointment and compensation of a Commissioner to aid in securing an appropriation from the General Government in improving the navigation of the Colorado river."

The State is represented in both branches of Congress by gentle-

men capable and willing to advance the interests of our State by securing all proper appropriations the General Government is willing to grant for improving the navigation of any streams bordering upon or within the State. Notwithstanding an earnest endeavor was made by the members from Nevada in the House of Representatives, at its last session, to obtain a small appropriation for the improvement of the Colorado river, yet the appropriation was refused on the ground that an Army Engineer, who had made a survey of the river, made an adverse report thereon. In my opinion all the arguments which can be at present urged have been urged upon Congress in favor of an appropriation as contemplated in the bill, and that no additional results would be obtained by the appointment of a Commissioner, and the expenditure of the amount named, especially at this time, when the treasury is not over-burdened with money. I do not deem it expedient or wise to draw therefrom the amount provided in the bill for the purpose of renewing a demand which has been so recently denied. I am therefore of the opinion that the interests of the State will be better served by withholding my assent to the bill. Very respectfully,

J. W. ADAMS, Governor.

The question being, shall the bill pass, notwithstanding the objection of the Governor, the roll was called with the following result:

Allen, Andrews, Archer, Armbrust, Birmingham, Byrne, Fassett, Flanningham, Folsom, Getchell, Gooding, Godfrey, Griswold, Hamill, Hanks, Hanna, Harper, Hawkes, Helm, Langan, Leavitt, Liddle, Marden, McAfee, McMillan, Meyers, Pike, Reese, Rice, Smith, Stroh, Stearns, Turrittin, Tyrrell, Westfall, Williams, Williamson, Young and Mr. Speaker—39.

Mr. Smith presented the report of the Standing Committee on Elections as follows:

Mr. Speaker:

Your Standing Committee on Elections, to whom was referred the papers in the contest case of John A. Palmer vs. H. L. Byrne for the seat of Assemblyman from Elko county, have had the same under consideration, and beg leave to submit the following report:

Your committee, after carefully examining the facts of the case, find that on the 10th day of November, 1884, in accordance with law, R. R. Bigelow, District Judge of the Fourth Judicial District in and for Elko county, Nevada, duly canvassed the official returns for the Legislature from the several precincts of the said Elko county at the general election held Tuesday, November 4, 1884, and it appearing from said canvass that J. A. Palmer had received 635 votes, and H. L. Byrne had received 634 votes for the office of Assemblyman, and from said canvass of said returns of the several precincts of said county it appearing that said J. A. Palmer, having received a majority of one vote, was duly declared, by said District Judge, elected to the office of Assemblyman from said Elko county for the official term expiring on the first Tuesday after the first Monday in November, A. D. 1886. And your committee further find that said J. A. Palmer had received at said election 635 votes, and that H. L. Byrne, a duly qualified elector of said Elko county, and a candidate for the office of Assemblyman, had received at said election 634 votes. That on the 11th day of November, 1884, said H. L. Byrne duly applied to said Board of County Commissioners of said Elko county as one of the defeated candidates for the office of Assemblyman, in which application said H. L. Byrne duly set forth, under oath, among other things, that he had reason to believe, and did believe, that a mistake or mistakes had occurred on the part of the Inspectors of Election in the following-named precincts, to-wit: Carlin, Clover Valley, Columbia, Fort Hallock, Hallock Station, Huntington Valley, Jack Creek, Lamoyle Valley, Mound Valley, North Ruby, South Ruby, South Fork, Spruce Mountain, Star Valley, Tacoma, Toano, Tuscarora, Wells, and White Rock, sufficient to change the returns of said election for said office of Assemblyman, so far as said Palmer and Byrne were concerned, and that a recount of the votes would show that said Byrne had received a greater number of votes cast at said election for said office than said Palmer; that thereupon said Board at once and on said 11th day of November, 1884, proceeded to count the votes of said precincts, and found thereby that said J. A. Palmer had received therein 534 votes and that H. L. Byrne had received therein 510 votes, and that said Byrne had received in said precincts three (3) votes more than appeared by the canvass of the official returns of said precincts made by the District

Judge, R. R. Bigelow; that from said recount it appeared that said Byrne had received at said election a greater number of votes than said Palmer, to-wit: That said H. L. Byrne had received 637 votes, and the said J. A. Palmer 635 votes, whereupon said Palmer, on said 11th day of November, 1884, duly applied to said board as one of the defeated candidates for said office of Assemblyman, in which application he duly set forth, under oath, among other things, that he had reason to believe, and did believe, that a mistake or mistakes had occurred on the part of the Inspectors of Election in the following precincts, to-wit: Mardis, Elko, Railroad, Mountain City, and Island Mountain, sufficient to change the result of election for said office of Assemblyman, so far as the said Palmer and Byrne were concerned, and that a recount of the votes therein would show that said Palmer had received a greater number of the votes cast at said election than said Byrne. That thereupon said Board immediately proceeded to recount the vote of said last-named precincts and found thereby that said J. A. Palmer had received therein 101 votes, and that said H. L. Byrne had received therein 126 votes; that the precincts hereinbefore named comprised all the election precincts and voting places in the said Elko county; that all of the votes cast in Elko county at said election held November 4, 1884, were cast in said precincts; that at said election in said precincts 1,271 votes were cast for said Palmer and Byrne for said office of Assemblyman, of which said Palmer received 635 votes and said Byrne 636 votes. And your committee further find that the County Commissioners of Elko county declared H. L. Byrne duly elected to the office of Assemblyman and issued a certificate accordingly.

Your committee has examined the law governing contested election cases, and find that the contestant, John A. Palmer, has failed to comply with the laws governing contested elections, as provided for in the revised Statutes of the State of Nevada, volume 2, page 23, sections 2,555 to 2,560, inclusive.

Wherefore, your Standing Committee on Elections submit the following resolution:

Resolved, That the Hon. H. L. Byrne is entitled to the seat now in controversy in this Assembly.

J. L. SMITH,
Chairman of Committee.

Mr. Langan moved that the resolution contained in the report of the Committee on Elections be adopted.

Not voting—Mr. Flanningham.

Your Committee on Ways and Means, to whom was referred Assembly bill No. 7, respectfully report that they have had the same under consideration, and find that the court-house at Hamilton, White Pine county, was destroyed by fire on January 5, 1885, and that the county of White Pine is destitute of funds applicable to the renting, purchase or construction of a building suitable for county purposes, and that said county is in great need of material assistance in order to enable it to proceed with the county business. In view of these facts, we most earnestly recommend the passage of said bill as amended, per rider attached.

Chairman of Committee.

On motion of Mr. Flanningham Assembly bill No. 7 was ordered printed and made the special order for Thursday, January 15, at 2 P. M.

Mr. Williamson, by leave, out of order, submitted the following report :

Mr. Speaker :

Your Standing Committee on State Prison, having paid official visit to that institution on the 17th, 19th, 21st and 23d insts., respectfully submit the following report:

That we have given the matters relating to the official conduct of Warden and subordinate officers a rigid and careful examination, have carefully examined the biennial report of the Warden, together with the books and accounts of the Prison for the years 1883 and 1884, and find that they correspond ; also that the biennial report for said years compares favorably with former reports. We have made thorough investigation in regard to the discipline, the number and disposition of the guards, and the methods of punishing prisoners, and into all that relates to the commissary and medical departments, and also as to the manner of operating the several industries.

We find that the prisoners are well cared for, that the provisions and clothing are amply sufficient and of good quality, and that the medical advice furnished them is as good as the profession of the county affords.

The manufacture of boots and shoes we found to be the most important industry at the Prison. We made a thorough investigation as to the material, stock on hand and workmanship, and found them all to be of good quality and from which the State derives a fair profit; but for obvious reasons we do not believe the manufacture of boots and shoes in our Prison can ever be made an industry of much profit to the State; yet as long as the Prison remains where it now is we can see no other available self-sustaining industry.

In an institution of this kind the Warden cannot be expected to suit everybody, but we have endeavored to make such observations as would enable us to come to fair conclusions.

Our attention has been called to a few things which we think are of general and special interest. Economy is commendable in a public officer who has the disbursing of public funds, and when exercised with liberal judgment, and for the best interests of the State, should be encouraged. Yet in our opinion there is a possibility of carrying this matter too far.

FEMALE DEPARTMENT.

In our opinion there should have been an apartment for the use of the female prisoners constructed heretofore. The cells now occupied by these prisoners are under the same roof as the ice house. Your committee called the attention of Warden Bell to this fact, who stated that he had partitioned off a suitable place in the general store house for the storage of ice, which was inspected and found in course of construction. We would recommend to our succeeding Warden that two new and well ventilated cells be constructed for the use of the female prisoners.

HOSPITAL.

At present there are no nccommodations for the sick and infirm prisoners. They are now compelled to occupy their cells or the large dining-room, either of which we consider unsuitable. We would recommend that the building constructed during the administrations of General Batterman and Major Garrard, and at present used as cell rooms for female prisoners, be fitted up for the exclusive use as a prison hospital.

ELECTION OF WARDEN.

From the evidence presented before your committee they are of the opinion that the general welfare of the Prison could be better subserved by changing the manner of electing the Warden. As the

law now stands much necessary legislation seems to hinge on the election of this or that candidate for this office. While in order to secure his election the Warden has frequently to promise each and every subordinate position in the institution to parties who control a vote or two in his election, he often finds positions promised to men who by experience he afterwards learns are not adapted to the duties assigned them. This manner of filling the subordinate positions we do not consider conducive to good results, and particularly does it prevent the maintenance of good discipline. A man might, for instance, make a good Commissary, while as Captain or Lieutenant of the Guard he would be entirely out of place.

We believe that the law should be so amended that the Warden could be elected without making any concessions or promises, and when an officer was found to be incompetent he would have no promises to break and no trusts to fulfill. In other words, we urge upon the Legislature the importance of electing a Warden in such a manner that he can take control of the Prison free handed and manage its affairs as his own judgment dictates, otherwise the discipline of the Prison is likely to become seriously impaired. In conclusion, your committee would say, in justice to Warden Bell, that we believe his character to be above reproach, and that he has endeavored to manage the Prison affairs with efficiency and strict economy for the best interest of the State.

HOUSE IN SESSION.

The House convened at 1 o'clock P. M.

Mr. Speaker in the chair.

Roll called.

Quorum present.

Messrs. Marden, Hamill, Hanks and Rice moved a call of the House.

Roll called, and Messrs. Pike, Stearns, Folsom, Tyrrell, Helm, Turrittin and Flanningham found to be absent. Mr. Hamill moved that the Sergeant-at-Arms bring the absentees to the bar of the House under arrest.

Carried.

The Sergeant-at-Arms appeared before the bar of the Assembly with Messrs Pike, Stearns, Tyrrell and Folsom under arrest.

Mr. Hamill moved that a fine of one dollar be imposed upon each of the gentlemen, to be paid to the Sergeant-at-Arms.

Carried.

Fine paid, and the gentlemen admitted to the Assembly.

The Sergeant-at-Arms presented Mr. Helm at the bar of the Assembly.

On motion of Mr. Marden he was fined one dollar.

Fine paid to the Sergeant-at-Arms, and Mr. Helm admitted to the Assembly.

The Sergeant-at-Arms again appeared before the bar of the Assembly with Mr. Turrittin in custody.

On motion of Mr. Smith Mr. Turrittin was fined one dollar, upon the payment of which to the Sergeant-at-Arms Mr. Turrittin was admitted to the Assembly.

Mr. Hamill moved to dispense with further proceedings under the call, but upon being informed that Mr. Flanningham was still absent, by leave withdrew his motion.

The Sergeant-at-Arms now appeared before the bar of the Assembly with Mr. Flanningham in custody.

Mr. Hamill moved to fine Mr. Flanningham one dollar.

Pending the motion, Mr. Allen moved that Mr. Flanningham have an opportunity to explain his absence.

The Chair ruled that as the members previously arrested and fined had not been given an opportunity to explain, it was not proper that Mr. Flanningham should have such privilege, and the Speaker ruled the motion out of order.

Mr. Allen claimed that because other members had been unjustly treated was no reason why the injustice should be perpetuated.

Mr. Smith raised the point of order that under rule sixty-five each member under arrest should be given an opportunity to present his excuse.

Point ruled well taken, and Mr. Flanningham presented the excuse of being under a misapprehension as to the time of meeting; also that he was within the Capitol grounds when arrested, and therefore not subject to a fine under rule eighteen.

The question was taken and motion adopted, and Mr. Flanningham paid the Sergeant-at-Arms the fine of one dollar and was admitted to the Assembly.

Mr. Pike raised the point of order that the fine imposed on the members previously arrested was illegal, as they were not given an opportunity to present their excuses for absence.

The point was ruled not well taken by the Speaker.

Mr. Hamill, by leave, introduced, out of order, Assembly bill No. 45—An Act to authorize the County Commissioners of Churchill county to issue bonds in favor of the Ladies' Art and Industrial Association.

Pending the reading of the bill, Mr. Fassett moved that the bill be rejected.

On motion to reject, the yeas and nays were called for by Messrs. Allen, Harper, Laycock and Tyrrell.

Roll called, and the bill was rejected by the following vote:

YEAS—Messrs. Armbrust, Birmingham, Byrne, Folsom, Getchell,

Griswold, Hamill, Hanks, Hanna, Harper, Langan and Reese—12.

NAYS—Messrs. Allen, Andrews, Archer, Fassett, Flanningham, Gooding, Godfrey, Helm, Laycock, Leavitt, Liddle, Marden, McAfee, McMillan, Meyers, Rice, Smith, Stroh, Stearns, Turrittin, Tyrrell, Westfall, Williams, Williamson, Young and Mr. Speaker —26.

Not voting—Mr. Pike.

Senate Bill No. 18—An Act to amend an Act defining the rights of husband and wife.

Read third time, and amendments adopted.

The question being on its final passage, the roll was called, and the bill passed by the following vote:

YEAS—Messrs. Allen, Andrews, Archer, Armbrust, Birmingham, Byrne, Fassett, Flanningham, Folsom, Getchell, Gooding, Godfrey, Griswold, Hamill, Hanks, Hanna, Harper, Hawkes, Helm, Langan, Laycock, Leavitt, Liddle, Marden, McAfee, McMillan, Meyers, Pike, Reese, Rice, Smith, Stroh, Stearns, Turrittin, Tyrrell, Westfall, Williams, Williamson, Young and Mr. Speaker—40.

NAYS—None.

SPECIAL ORDER.

Senate Bill No. 46—An Act in aid of the Women's Art and Industrial Association of Nevada, to defray the expenses incident to the display of Nevada exhibits at the New Orleans Exposition; also, Assembly Concurrent Resolution No. 8—Relative to granting one day's per diem to the Women's Art and Industrial Society.

Mr. Pike moved to take up Senate bill No. 46 and postpone the special order on Assembly Concurrent Resolution No. 8, until Senate bill No. 46 was disposed of.

Carried, and the Assembly proceeded to the consideration of Senate Bill No. 46.

After the reading of the title of Senate bill No. 46 Mr. Pike called for the reading of the title of Assembly bill No. 39.

Upon the same being read Mr. Pike raised the point of order that Senate bill No. 46 could not be considered to-day, nor any other day this session, except so far as said consideration might go to the point of gaining a knowledge of the subject contained therein, quoting Rule No. 46 of the Assembly as the foundation for his point of order.

While Mr. Pike was engaged in elucidating his point of order Mr. Laycock raised the point of order that under the rules no debate could be had on a point of order. That the Speaker should at once give a ruling on a point of order as soon as raised, and as Mr. Pike was discussing his point of order, he was out of order.

The Speaker ruled the point of order of Mr. Laycock not well taken, and permitted Mr. Pike to complete the elucidation of his point of order, which he ruled well taken, and that Senate bill No. 46 could not be considered by the Assembly.

Messrs. Laycock and Flanningham appealed from the decision of the Speaker.

Pending discussion on the appeal Mr. Pike raised the point of order that an appeal from the Chair's ruling was not debatable.

The Speaker ruled the point of order not well taken.

Messrs. Laycock, Flanningham, Smith and Fassett called for the yeas and nays on the question of the appeal from the Chair.

Roll called with the following result:

YEAS—Messrs. Armbrust, Birmingham, Folsom, Getchell, Gooding, Griswold, Hanks, Hanna, Harper, Hawkes, Helm, McAfee, Meyers, Pike, Reese, Rice, Stroh, Turrittin and Young—19.

NAYS—Messrs. Allen, Andrews, Archer, Byrne, Fassett, Flanningham, Godfrey, Hamill, Langan, Laycock, Leavitt, Liddle, Marden, McMillan, Smith, Stearns, Tyrrell, Westfall, Williams and Williamson—20.

The hour of 2 o'clock P. M. having arrived, which hour was made a special order for the consideration of Assembly bill No. 22, on motion of Mr. Pike the special order was postponed for one hour.

Mr. Pike moved that the rules be suspended, the reading just had of Senate bill No. 46 be considered the first reading, the rules further suspended, and the bill read second time by title and referred to Committee on Ways and Means.

Pending action on the motion of Mr. Pike, Mr. Marden moved that the bill under consideration be indefinitely postponed.

A *viva voce* vote was taken, and the Speaker declared the question carried.

Messrs. Laycock, Allen, Flanningham, Fassett and Smith claimed to have called for the yeas and nays prior to the taking of the question.

The Speaker explained that he had not heard the call, and being desirous of ruling justly, recalled the previous decision and ordered the Clerk to call the roll on the question to indefinitely postpone the bill.

Roll called with the following result:

YEAS—Messrs. Andrews, Armbrust, Birmingham, Folsom, Getchell, Gooding, Griswold, Hamill, Hanks, Hanna, Harper, Hawkes, Langan, Leavitt, Marden, McAfee, McMillan, Meyers, Pike, Reese, Rice, Stroh, Turrittin, Young and Mr. Speaker—25.

NAYS—Messrs. Allen, Archer, Byrne, Fassett, Flanningham, Godfrey, Helm, Laycock, Liddle, Smith, Stearns, Tyrrell, Westfall, Williams and Williamson—15.

Mr. Pike moved to take up Assembly Concurrent Resolution No. 8, relative to granting one day's per diem to the Women's Art and Industrial Society.

Carried.

Pending the reading of Assembly Concurrent Resolution No. 8 Mr. Marden raised the point of order that the same being part of the

subject matter contained in Senate bill No. 46, previously indefinitely postponed by the Assembly, it could not be further considered.

Point of order sustained.

Messrs. Pike and Griswold appealed from the decision of the Chair.

Yeas and nays were called for.

Roll called with the following result:

YEAS—Messrs. Allen, Andrews, Archer, Armbrust, Birmingham, Fassett, Flanningham, Getchell, Godfrey, Hamill, Hanks, Hanna, Harper, Hawkes, Langan, Liddle, Marden, McAfee, McMillan, Meyers, Reese, Stearns, Turrittin, Westfall, Williamson and Young —26.

NAYS—Messrs. Byrne, Folsom, Gooding, Griswold, Helm, Laycock, Leavitt, Pike, Smith, Stroh, Tyrrell and Williams—12.

Absent—Mr. Rice.

On motion of Mr. Laycock the Assembly proceeded to the special order, which was Assembly bill No. 22, an Act relative to granting aid to veterans of the late Mexican and civil wars in indigent circumstances.

The bill was read third time, roll called and passed by the following vote:

YEAS—Messrs. Allen, Andrews, Archer, Armbrust, Birmingham, Byrne, Fassett, Flanningham, Folsom, Getchell, Gooding, Godfrey, Griswold, Hamill, Hanks, Hanna, Harper, Hawkes, Helm, Langan, Laycock, Leavitt, Liddle, Marden, McAfee, McMillan, Meyers, Pike, Reese, Rice, Smith, Stroh, Stearns, Turrittin, Tyrrell, Westfall, Williams, Williamson, Young and Mr. Speaker—40.

NAYS—None.

GENERAL FILE AND THIRD READING OF BILLS.

Senate Bill No. 17—An Act to repeal an Act supplemental to an Act entitled "An Act to provide revenue for the support of the government of the State of Nevada," approved March 1, 1883.

Read third time and, on motion of Mr. Flanningham, was referred to a special committee of three.

Mr. Speaker appointed as such committee Messrs. Flanningham, Griswold and Hamill.

Mr. Fassett moved to take up Senate message out of order.

Motion carried.

MESSAGE FROM THE SENATE.

SENATE CHAMBER,
CARSON CITY, January 30, 1885.

To the Honorable the Assembly:

I have the honor to transmit to your honorable body Senate bill No. 11, entitled "An Act in relation to the salaries of county

Assessors,'' returned by the Governor this day to the Senate without his approval, which this honorable body refused to sustain by a vote of, yeas 17, nays 2. The bill and message herewith.

H. T. TUCKER,
Assistant Secretary of the Senate.

GOVERNOR'S OFFICE.
CARSON CITY, January 30, 1885.

To the Honorable the Senate:

I hereby return without my approval Senate bill No. 11, "An Act in relation to the salaries of County Assessors." During the last canvass no subject connected with State policy was so fully discussed as the general reduction of State and county expenses. As to the necessity of such reduction, owing to the falling off of our taxable property, there was but one opinion. The bill now before me increases the salary of the Assessor of Nye county from twelve hundred to sixteen hundred dollars per annum. I believe that county can be assessed in four months, and probably in three. I am assured that many competent men in the county are willing to accept the office and discharge all its duties at the present salary. With the heavy debt now burdening the tax-payers of Nye county, with their General Fund absolutely exhausted, and little or no tax due before next November, with the salaries of all the county officers unpaid for several months of the past year, and with the county indebtedness worth only twenty-five cents on the dollar, it seems to me we should endeavor by legislation to reduce the expenses of the county rather than to increase them. But the bill is wrong in principle. No salary should be increased or reduced during the term of an officer already elected. Under our government no citizen can be compelled to accept an office, and no inducement should be held out to any particular individual that an exception in his favor will be made, when other citizens, equally competent, stand ready to discharge the duties of the office at the compensation fixed by law.

J. W. ADAMS, Governor.

The question being shall the bill pass notwithstanding the Governor's veto, the roll was called and the bill passed by the following vote:

YEAS—Messrs. Allen, Andrews, Armbrust, Birmingham, Byrne, Fassett, Flanningham, Folsom, Getchell, Godfrey, Griswold, Hamill, Hanks, Hanna, Harper, Hawkes, Helm, Langan, Laycock, Leavitt, Liddle, Marden, McAfee, McMillan, Meyers, Reese, Rice, Smith, Stearns, Turrittin, Tyrrell, Westfall, Williams, Williamson, Young and Mr. Speaker—36.

NAYS—Messrs. Archer, Gooding, Pike and Stroh—4.

Mr. Speaker asked leave of absence for Monday, February 2, 1885. Leave granted.

On motion of Mr. Fassett, seconded by Mr. Langan, at 3:30 P. M. the House adjourned until Monday, February 2, 1885.

INTRODUCTION AND FIRST READING OF BILLS.

By Mr. Smith:

Assembly Bill No. 60—An Act to refund to Notaries Public, who were legislated out of office, the fees they have paid for their commission.

Read first time; on motion of Mr. Smith the rules were suspended, the bill read second time by title and referred to Committee on Claims.

Senate Bill No. 67—An Act to provide for the publication of the names of taxpayers, and the total amounts due by said taxpayers appearing on the assessment rolls in the respective counties of the State of Nevada.

Read first time; on motion of Mr. Hamill the rules were suspended, the bill read second time by title and referred to Committee on Ways and Means.

Substitute for Assembly Bill No. 17—An Act to amend section sixty-six of an Act concerning conveyances.

Pending the reading of the substitute, Mr. Pike raised the point of order that the substitute was not properly on its first reading, as under rule 70 substitute bills should be treated as amendments, and the bill for which this was a substitute having been read second time should now be on its third reading and final passage.

The Speaker ruled that rule 70 did not apply to bills. The Constitution required all bills to be read three times before their final passage, and if rule 70 applied to bills it would be in conflict with the Constitution. The substitute, never having been read, if placed on its final passage now, would only be read once in the regular order of business, and hence would not be passed in a constitutional manner.

Mr. Pike and Mr. Griswold appealed from the decision of the Speaker.

The question being, shall the decision of the Chair stand as the judgment of the Assembly?

It was declared in the negative, and the Chair was overruled.

By Mr. Allen:

MEMORIAL AND JOINT PETITION.

To the Honorable the Senate and Assembly:

The undersigned committee, representing the Mechanics' Union of Storey county, respectfully represent that they believe that it would be to the greatest good of our State to secure the removal of the State University now situated at Elko, Elko county, to either Carson or Reno, or wherever your honorable body deem it advisable in order to secure the most beneficial results.

The University as it is now situated in the eastern part of the State is not by any means easy of access to the masses of our population,

and for further argument in support of the removal of the University from its present locality, we would respectfully refer you to the biennial report of the Board of Regents of the University for the years 1883 and 1884, page nine (9).

We would also respectfully draw the attention of your honorable body to section four (4) of article eleven (11) of the State Constitution, wherein provision is made for the establishment of a State University which shall embrace Departments for Agriculture, Mechanic Arts and Mining. Especially would we call your attention to the Department of Mechanic Arts, for the teaching of which we believe no provision has ever been made. Taking into consideration the fact that we have no manufactories whereby the youth of Nevada can obtain a knowledge of the different trades by usual ways, that is by apprenticeship, we deem it pre-eminently the duty of the State to carry out the provisions and stipulations of said section, that is, so far as mechanic art is concerned.

We further believe that it is essential to the future welfare of the State to assist our boys in procuring an education that will enable them to obtain at least an elementary knowledge of mechanic arts, who at present, wishing to obtain the knowledge spoken of above, are forced to leave the State at great expense to parents and guardians. By following this course our young men, the very people we should most desire to keep among us, become alienated and rarely find their way back.

Trusting that your honorable body will give this a favorable consideration, we remain, most respectfully yours,

B. F. HAZELTINE,
J. D. TISDALE,
F. D. LAYTON,
Committee.

CARSON CITY, February 19, 1885.

To the Honorable the Assembly:

Gentlemen: Having been informed that your honorable body

has employed Messrs. Morrison and Thomas to copy the journal of the Assembly for the State Printer, I beg to call your attention to a matter that I believe you may have inadvertently neglected to consider. You will at once see that the mere copying of the journal is the least important and smallest portion of the work to be done. In preparing the publication for distribution much care and attention must be given to reading the proof and furnishing a proper index. I ask that you will direct Messrs. Morrison and Thomas to complete the work undertaken by them, and that you will so amend the present law that work performed by others and for the accuracy of which others are responsible, shall be taken from the supervision of this office. I make this request in the interest of the public service and also as a matter of simple justice to this department.

I have the honor to remain, sir, your obedient servant,

JOHN M. DORMER,
Secretary of State.

WHEREAS, Messrs. Morrison and Thomas have not, as stated in the communication from the Secretary of State, undertaken to perform any services other than the copying of the journal of this House, for the accurracy of which copy the Secretary of State cannot in any manner be held responsible; and

WHEREAS, The work of copying and supervising the journal of this House is more liable to be correctly performed if performed from day to day, by those familiar with its contents, and while the contents thereof are fresh in the minds of those supervising the work, than it would be possible for one who is not familiar with the facts recorded in said journals to do, after the expiration of the session when all sources of information, with reference thereto, have been closed by the departure of the members and attaches of the Assembly from the seat of government; therefore, be it

REPORTS OF STANDING COMMITTEES.

Mr. Speaker:

Your Committee on Contingent Expenses have examined the accounts of several of the public departments, and notice an expenditure of moneys paid for articles that could well have been dispensed with, and at extravagant prices for the same, although in conformity with the law. We recommend that the sundry bills of appropriation be taken into full consideration, and that they fall below the appropriations of 1883 from ten to fifty per cent. We further recommend

that, in case of the Statutes of Nevada being compiled, the law be so enacted as to have the State Printer do the printing, as an economical measure. The State, owning the books, will sell a sufficient number to pay the entire cost of revision and printing, with a profit besides. Further, that the law requiring publishing in newspapers of notice of proposals for stationery, for State and legislative purposes, be so amended as to have the State Printer print said notices in circular form and forward them to the respective wholesale houses on this coast and in eastern cities, thereby saving the cost of said publishing. That there be a law enacted making the janitor of the Capitol building responsible, under a bond, for the safe keeping of all property inventoried to him by the respective Sergeants-at-Arms of the Senate and Assembly in any way appertaining or belonging to the two rooms of the said bodies, until the next session of the Legislature of this State, to be by him delivered to the properly elected Sergeants-at-Arms of the incoming Senate and Assembly, to be used by them during their session.

G. L. HAWKES,
JOHN YOUNG,
G. N. FOLSOM,
E. S. ARCHER,
E. GRISWOLD,

Your Standing Committee on State Institutions hereby report and they have paid an official visit to the State Orphans' Home, that respectfully submit the following as our report: We found the children—fifty in number—seemingly healthy, cheerful and content. Their food and clothing good and their general appearance indicate that they are as well cared for as the circumstances will permit. The school we find to be very interesting, and judging from numerous recitations given during our visit were led to believe that the school connected with this institution will compare favorably with the best of our public schools. But while we found many things to commend we found many we must condemn. For instance, we found the sewerage bad; the outhouses in a dilapidated and unhealthy condition; the sinks or places for washing hands and faces, together with the bath tubs, are in a very bad condition and should at once be replaced by new ones; the cellar under the main building, in which is stored vegetables, etc., needs repairing and renovating; the boys and girls' playrooms should be repainted and calcimined; the roof of the main building is in such condition that during stormy weather it leaks badly. With these and many other needed repairs we would most respectfully recommend that an appropriation of $2,500 be made for this purpose. In conclusion will say that we believe the management of the institution to be good, honest and economical.

MESSAGE FROM THE SENATE.

SENATE CHAMBER,
CARSON CITY, March 5, 1885.

To the Honorable the Assembly:

I have the honor herewith to present for the consideration of your honorable body Senate bill No. 136, an Act to protect creditors, and that the Senate refused to adopt Assembly amendment; also, Senate bill No. 147, an Act relating to County Assessors, which passed the

Senate this day, yeas, 15; nays, none.

H. T. TUCKER,
Assistant Secretary of the Senate.

Senate Bill No. 147—An Act relating to County Assessors.

Read first time; on motion of Mr. Pike, the rules were suspended, read second time by title, rules further suspended, read third time and passed by the following vote:

YEAS—Messrs. Allen, Andrews, Archer, Armbrust, Birmingham, Byrne, Fassett, Flanningham, Folsom, Getchell, Gooding, Godfrey, Griswold, Hanks, Hanna, Harper, Hawkes, Helm, Langan, Laycock, Leavitt, Liddle, Marden, McAfee, McMillan, Meyers, Pike, Reese, Smith, Stroh, Stearns, Turrittin, Tyrrell, Westfall, Williams, Williamson, Young and Mr. Speaker—38.

Absent by leave—Messrs. Hamill and Rice.

Mr. McMillan moved that a committee of three be appointed to wait on His Excellency the Governor and ascertain if he had any further communications to make to the Assembly.

Carried.

Mr. Speaker appointed as such committee Messrs. McMillan, Williamson and Byrne.

Mr. Hanna, by leave, out of order, presented the following resolution:

Resolved, That the thanks of this Assembly are hereby given to Speaker George for the able, dignified and impartial manner in which he has presided over its deliberations, and to the other officers and attaches for the satisfactory manner in which they have fulfilled the duties assigned to them.

Mr. Pike moved the adoption of the resolution.

Carried.

A committee from the honorable the Senate appeared before the bar of the Assembly desiring to know on behalf of that body if the Assembly had any further business to transact with the Senate. Mr. Speaker informed the committee that the Assembly had some further business to transact with the Senate, and the committee withdrew.

Mr. Tyrrell presented the following reports from the Committee on Enrolled Bills:

Mr. Speaker:

Your Committee on Enrolled Bills, to whom was referred Assembly bill No. 119, respectfully report that they have had the same under consideration and find that it is correctly enrolled, and have transmitted it to the Governor for his signature.

G. A. TYRRELL, Chairman.

Mr. Speaker:

Your Committee on Enrolled Bills, to whom was referred Assem-

bly substitute for Assembly Memorial and Joint Resolution No. 18, respectfully report that they have had the same under consideration and find it is correctly enrolled, and have transmitted the same to the Governor for his signature.

G. A. TYRRELL, Chairman.

Senate Bill No. 136—An Act to protect creditors.

Was received from the Senate, that body refusing to concur in Assembly amendment.

The question being, "Shall the Assembly recede from its amendment?" a vote was taken and the Assembly refused to recede.

The committee appointed to wait on His Excellency the Governor returned, bearing the compliments of that officer, and reported that the Governor had no further messages to transmit to or business to transact with the honorable the Assembly.

By Mr. Hamill (by leave):

Resolved, That the thanks of the House be and are hereby tendered to William McMillan, the Speaker *pro tem.*, for the able and courteous manner in which he has discharged his duties in such capacity.

On motion of Mr. Hamill the resolution was adopted.

Mr. Stearns moved that Senate Concurrent Resolution No. 29, relative to submitting the question of calling a Constitutional Convention, be corrected in its history so as to show that it was lost by not receiving the necessary two-thirds vote, quoting law in support of his motion.

Carried, and the history corrected in accordance with instructions.

Mr. Allen rose in his place and called the attention of the Assembly to the fact that the hour was near at hand when in accordance with the Constitution of the State, the twelfth session of the Nevada Legislature would adjourn. He addressed the Assembly in a dignified and eloquent manner as follows:

Mr. Speaker:

Social and business relations often beget ties near akin to those of blood. We came here at the pleasure of our constituents. Many of us met as strangers. We, as I believe, have honestly endeavored to perform the duties imposed upon us. True, on many issues, we have exercised our rights, and to the roll call answered "yea" or "nay," as duty appeared to dictate. We have had conscientious differences. In the future it will be pleasant to recall the fact that in debate these differences have been discussed in words of consideration and courtesy. No member, Mr. Speaker, during this the twelfth session of the Nevada Legislature has abused his privilege or wantonly wronged another. Soon we will go to our constituents to answer to them for our words and actions here. Before returning to our homes, Mr.

Speaker, we, over whom you have presided with dignity and marked impartiality during the session soon to close, must kindly assure you that a feeling nearly to that of kin exists between us and with us, as subordinates, toward you. Prompted by this feeling, allow me, Mr. Speaker, on behalf of this the Honorable the Assembly, of which you are the representative head, as evidence of our appreciation of you and your services, to present you with this cane, which will be ornamental to you while young, a staff in age, and when the trials of life are over a fit heirloom to pass to your children and children's children. Accept it, not as a mere souvenir from this Assembly, but as it is intended, as a mark of esteem that may prompt you to go onward and upward until you cross that river, from the other side of which none has ever returned.

Upon the conclusion of the remarks of Mr. Allen, Mr. George, Speaker of the Assembly, rose and in a feeling and impressive manner addressed the Assembly as follows:

Gentlemen of the Assembly:

I sincerely thank you for this valuable present, not so much for its intrinsic value as for the kindly feelings which it expresses. During the time that I have had the honor of presiding over your deliberations I have been treated with marked respect and consideration, and I can assure you I sincerely appreciate the uniform courtesy extended me by the members of this Assembly, and shall ever remember with pleasure the sixty days we have passed together within this building. The twelfth session of the Nevada Legislature will expire in a few moments by limitation and our official relations cease. Should we ever meet again within these walls I sincerely hope that the same social relations that have heretofore existed may be continued, and that the friendship here begun may continue in the future. That each member present has honestly endeavored to do his whole duty no one can truthfully dispute, and now, gentlemen, the hour of twelve o'clock midnight having arrived, I declare the twelfth session of the Legislature adjourned *sine die*.

Approved: E. T. GEORGE,
Speaker of the Assembly.

Attest: GEO. H. MORRISON,
Chief Clerk of the Assembly.
